FOREWORD . . .

Four years ago we entered Emmaus High to begin our high school education. Now we must leave, but the memories of days spent here will long live on. In this, THE TATTLER, we have attempted to capture the accomplishments, the laughter, and the carefree hours at Emmaus High in order that in years to come we will be able to recapture once again the cherished memories of those days.

Administration

Usually friendly but sometimes severe disciplinarians, the faculty members' kindly wisdom and understanding eagerness to help in the solving of the problems, both academic and personal, will always be gratefully remembered by all who studied at Emmaus High.

Left to Right—FIRST ROW: Arthur Iobst (Secretary), Arthur Gehringer (President), Claude Keller (Treasurer), Dr. Le Roy Rahn (Vice President), SECOND ROW: Raymond Miller, Howard Eyer, Thomas Schrader.

THE SCHOOL ADMINISTRATION

MISS LESTER

MRS. GUTH

Board of School Directors—To these seven men goes the responsibility of executing the many tasks involved in the supervision of the schools of Emmaus. They are subject to state regulation and their responsibilities are definitely outlined by a school code. Their duties include the buying of supplies, financing the schools, maintenance of buildings, and the general supervision of all school activities.

Administration Secretaries—The stenographic and clerical work in the superintendent's office is handled by "Gerry" and "Pat". In addition, they operate the telephone switchboard, maintain student records, and give clerical assistance to the teachers.

Administrators—To Mr. Yeager, Superintendent of Schools for the past eighteen years, goes the responsibility of executing the school board's recommendations and the over all supervision of the borough schools. Mr. Heller, Principal for the past twenty-three years, is responsible for the supervision of all curricular and extra curricular activities in the high school. The administration is to be commended for their efforts which resulted in the high school being recently accredited by the Commission on Secondary Schools and accepted as a member of the Middle States Association of Colleges and Secondary Schools.

HISTORY OF MID-CENTURIANS

Starting a new trend in Emmaus High 206 freshmen were separated into five groups, two being at Lincoln Junior High School and three at Emmaus High since neither building could facilitate our large enrollment. As freshmen we were all looking forward to our first day in high school, but soon learned to regret it by the many irritations and the general pushing around we received from upperclassmen. Finally the day came when we proved to everyone our abilities and showmanship in the Freshmen Minstrel, 'Blackout' on January 7, 1947 which caused a mild sensation. Following this was our 'May Dance' held on May 5, 1947 with Betty Lou Keler reigning as queen. The crowning of a queen was new and brought forth the originality that was to follow us through four successful and wonderful years.

We returned to Emmaus High a braver and wiser group of 191 sophomores looking forward to our second year, but we soon found we were just something to be trampled on until we gave our own original 'Pigskin Frolic' in the gym on November 1, 1947—another first at Emmaus High. We settled back again to our old routine but making just a little bit more noise. We were now becoming enthusiastic sports fans supporting all teams and were seen at most school activities. Then came our 'Bunny Hop' held in the gym on April 9, 1948. It was beautifully decorated and brought an end to the affairs of our class for another year.

Beginning our first year as upperclassmen we had 154 juniors left to enjoy the wonderful feeling. We could now boast of our peppy cheerleaders and our boys taking major parts in sports. We started the New Year right with the 'Snowflake Whirl' held in the gym on January 15, 1949. It was attended and enjoyed by many.

Finally that wonderful day, Friday, April 22, 1949 had arrived. It was a rainy night but it didn't dampen our spirits, since we were happy at the idea of our prom being, for the first time, taken out of

town. Entering the Americus Hotel we walked through a long hall arriving at the beautiful ballroom decorated in the colors of our class, orchid and white. Stepping onto the dance floor we found ourselves in the arms of our date, drifting and dreaming with the soft music of Bud Rader. The crowning of the queen, Kathryn Kershner with her attendants Dot Gilbert, Dot Spieker, Joyce Stephen and 'Jill' Shelling was the high spot of the evening. Going home we found ourselves tired but happy after the most wonderful night we ever had. Arriving near the end of the year was the annual Declamation Contest held on May 25, which was enjoyed by many and won by Joan Moser. The last function of the year was the 'Senior Farewell' held in the gym on June 7, 1949 in which we honored the graduates and knew that we had finally arrived at the top and would be seniors. It was a perfect end to a perfect year.

We made it, we were now seniors. Realizing there was a big year ahead we started immediately by placing many of our classmates on teams and then planning for our 'Sadie Hawkins Dance' November 12, 1949. Corsages were made and sold and everybody danced in their socks. It was a gay night and the gym echoed with laughter. Many names were put in spotlights on the three nights, November 17, 18, and 19 of our class play 'Kiss and Tell', with their superb acting it proved to be an enormous success. Following this was the 'Yuletide Swing' held in the gym on December 22, 1949 which brought around many a union and also helped to start our well dated Christmas vacation. Cupid showed up with his bow and arrows at the 'Cupid's Capers' dance held on February 18, 1950 and brought many a girl and boy a new romance. Our interesting and educational field trips were made to the Court House, County Jail, and State Hospital. The last and eagerly awaited social event of the year was the Senior Ball held at Carle Gardens on June 2, 1950. It was attended by many and enjoyed by all. Sadly we realized that our school days were at an end by the serious Baccalaureate and Commencement Services where we bade farewell to many of our classmates with tears in our eyes. Thus ended four wonderful years spent in Emmaus High for 142 students.

JUNE C. ALLMON
Alburtis, Route 1

General

"Flirt"

June's ability to make friends results from her lively nature and friendliness. Always rushing about at the last minute was typical of June. Her favorite hobbies were tumbling and driving her father's car. She was usually caught dreaming—dreaming of becoming the wife of some lucky fellow.

Gym Team 1, 2, 3, Glee Club 3, Chorus 1, (Secretary) 2, 3, Student Council 1, 2

DAVID R. ATEN
Macungie

Academic

"Dave"

"Dave" was a tall, congenial, fun loving fellow who was always in regular attendance at our dances. His easy manner and talkativeness are qualities which will be of value to him when he enters the field of selling. Dave plans to enter Penn State upon completion of his senior year.

ERNESTINE M. BACHMAN
673 Chestnut Street

General

Ernestine

A gay, but quiet and reserved girl, best describes Ernestine. Her heart warming smile is a definite asset to her appearance. She likes dancing, basketball, and enjoys going to the movies. She liked working in the cafeteria where she could be seen doing all sorts of things in preparation of the lunches.

Knitting Club 1

RICHARD G. BARTHOLOMEW
531 Chestnut Street

General

"Ludie"

A mischievous twinkle in his eye and a hearty laugh, ably portrays "Ludie's" character. He was well cast as the frustrated house painter in our class play. His personality and sociable attitude will be of great assistance in his future as a chef.

"Kiss and Tell" 3, Football 1, 2, Basketball 1, Glee Club 1, 2, 3, Chorus 1, 2, 3, Health and Physical Education Club 1, Cooking Club 2

MARY E. BASTIAN
Wescosville

General

Mary

Quiet, friendly and always willing to help others. Mary spends much time attending movies, reading, knitting and listening to popular tunes. Her main dislikes are doing dishes and math! Although Mary is interested in all sports, badminton is her favorite. We know she will succeed in her chosen field.

Knitting Club 1, 2, Girl Reserves 3

DOROTHY J. BAUER
Macungie, Route 1

Secretarial

"Dot"

Dot's engaging smile, neatness and poise will help her to succeed as an airline hostess. To pass the time she reads, types, or takes walks. During her school years she was an interested fan of the football and basketball games. We will always remember her as being one of the peppy Drum Corps majorettes.

The Tattler (Class Editor) 3, Health and Physical Education Club 2, 3

VIRGINIA P. BEAKY
629 Furnace Street

Secretarial

"Ginny"

A receptionist for some lucky doctor is "Ginny's" aim. A very talkative joker, she likes movies, dancing, ice cream and sports, which include baseball, ice skating and football. We will always remember her bright smile as she sold football programs. She always said she definitely did not like boys, only time will tell.

Knitting Club 1, 2

CAROL J. BEAM
Old Zionsville

General

Carol

Flirtatious but also demure describes this changeable miss, a friend to all who know her. She was an ardent sports fan when not highstepping as one of our capable majorettes. With her neat appearance and sense of humor she is sure to obtain her goal as a nurse.

ALMA MATER

As we plod through life's road steeping
Climbing up those rocky hills,
We will ever hold in keeping
Thoughts of these dear wisdom mills.

Hear these silent stone walls shouting
Hear their words of would-be woe
Hear them plead with hopes and doubting
Hear them tell us not to go.

Gone is our gay "learned" company,
Gone those days which are of yore;
Much we did in rooms now empty
Things we'll do and see no more.

Chorus:

Alma Mater! Alma Mater!
Hear our song of thanks to thee!
Hold in keeping, joy and weeping,
Hold our blessed memory.

Classes

Another year gone by and with eager hearts and minds the underclassmen take another step forward to greater success and recognition. In these willing hands is left the task of upholding past standards and making an even better school.

JUNIOR CLASS

The capability of the Junior Class can well be illustrated in their three colorful social functions of the year. With an original name, a distinct and unique way of decorating, "The Ball d'Automne" held on November 5, started their social whirl with a brilliant splash of color. Highlighting the year was the Junior Prom held at the Frolics Ballroom in Allentown on April 21. It was a gay affair, and one of the main events of the evening was the crowning of the regal king and queen. The last social function of the year was the memorable "Senior Farewell", at which the Juniors served as host to the seniors.

With Miss Miller, Mr. Deischer and Mr. Schaadt guiding the 118 students, they began taking over more responsible positions during the year and contributing many outstanding sport figures.

With their green and white colors flying and a carnation in their lapel, we are sure they will have a brilliant and unforgettable senior year.

SOPHOMORE CLASS

A gleam in their eyes and vengeance in their minds, the sophomores started the year with initiations which the freshmen will never forget.

With feathers in their caps, through the success of the r Freshman Minstrel, "A Night at the Fair", and the 'May Dance', with Caroline Bieber reigning as their lovely queen, they were now determined to make this an even more successful year.

Under the guidance of Mrs. Moyer, Mr. Burger, Mr. Hauser, and Mr. Ortt, they opened their social season on December 3 with the 'Winter Whirl'. This being a highly successful affair, plans were immediately made for May 23, on which date "The May Dance", their last social event for the season was held.

After two years of experience and success, they are now looking forward to taking over the esteemed position of juniors.

That wonderful senior portrayal of "Kiss and Tell"?
The athletic ability shown in the Gym Exhibition?
The captivating moment of the crowning of our Prom Queen, "Kitty" Kershner?
The anxiety of the "Senior Farewell"?
When the janitor from the Central School building stole the show during a lyceum program?
Lovers' rendezvous in the gym?
The arguments in our senior class meetings?
The fuss made over the selected commencement announcements?
The five percenters?
Our high percentage of football winnings in "49"?
The tough time we had selling senior class play tickets?
The sweet dreams for a bright future of the engaged seniors?
The glorious night of the Senior Ball?
The flirtatiousness of our mid-century grads?
The screams in the halls brought about by a little hamster named "Mickey"?
Last but not least, the speedy feature editors on the yearbook staff?

ACADEMIC COURSE

The Academic Course is offered primarily for those students who wish to enter college, nursing school or other fields of higher education. In this course of study the main subjects include: English, history, mathematics, languages, and the higher sciences.

The 12A English students are taught literature and vocabulary under the supervision of Mr. Schadt.

In the chemistry laboratory Mr. Becker assists the 11A students performing many practical experiments.

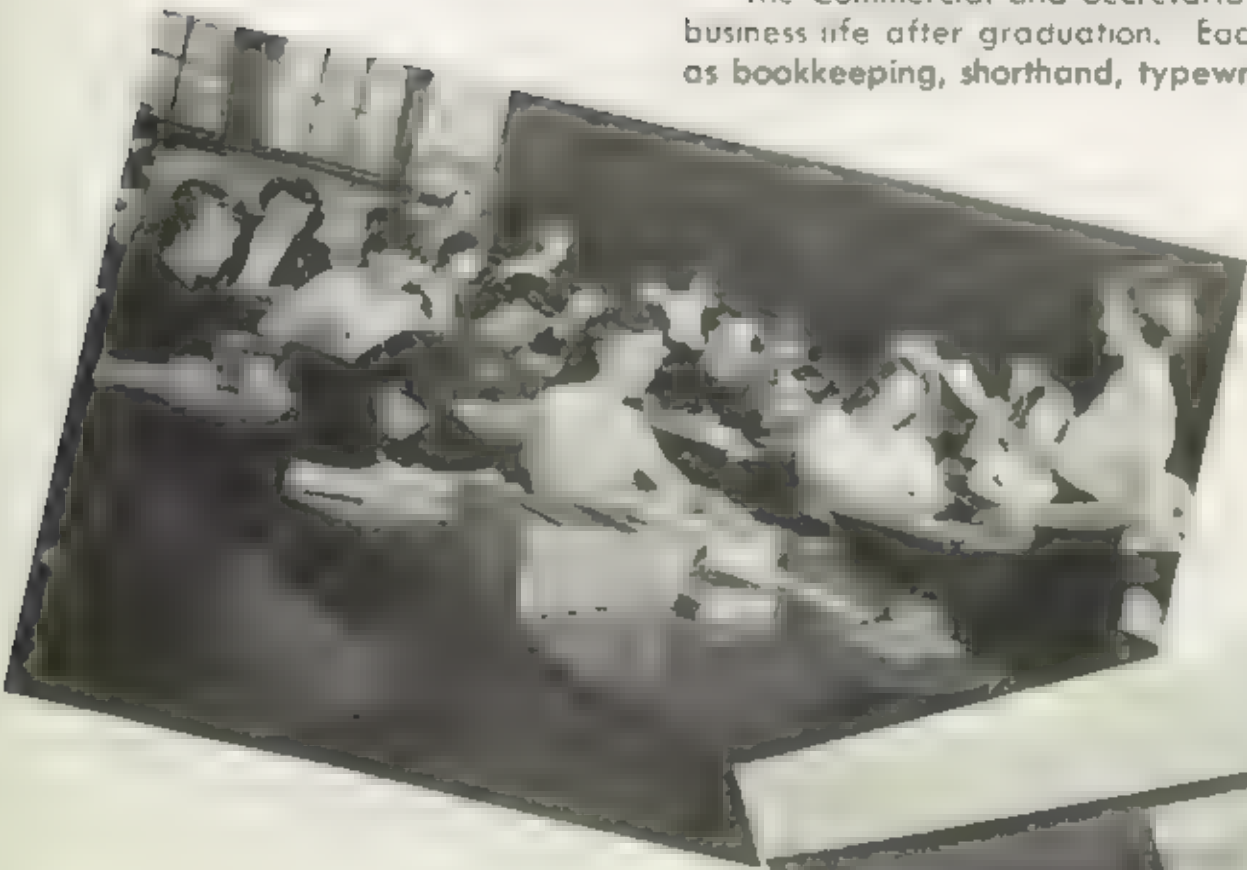

10A plane geometry class, taught by Mr. Burger, gives the students a firmer foundation for solid geometry and trigonometry.

The life and language of the ancient Romans are brought to life by Mr. Ortt and his 9-2 students.

COMMERCIAL AND SECRETARIAL COURSE

The Commercial and Secretarial Course is designed to prepare students to enter a business life after graduation. Each year consists of practical studies in business, such as bookkeeping, shorthand, typewriting, business law, and salesmanship.

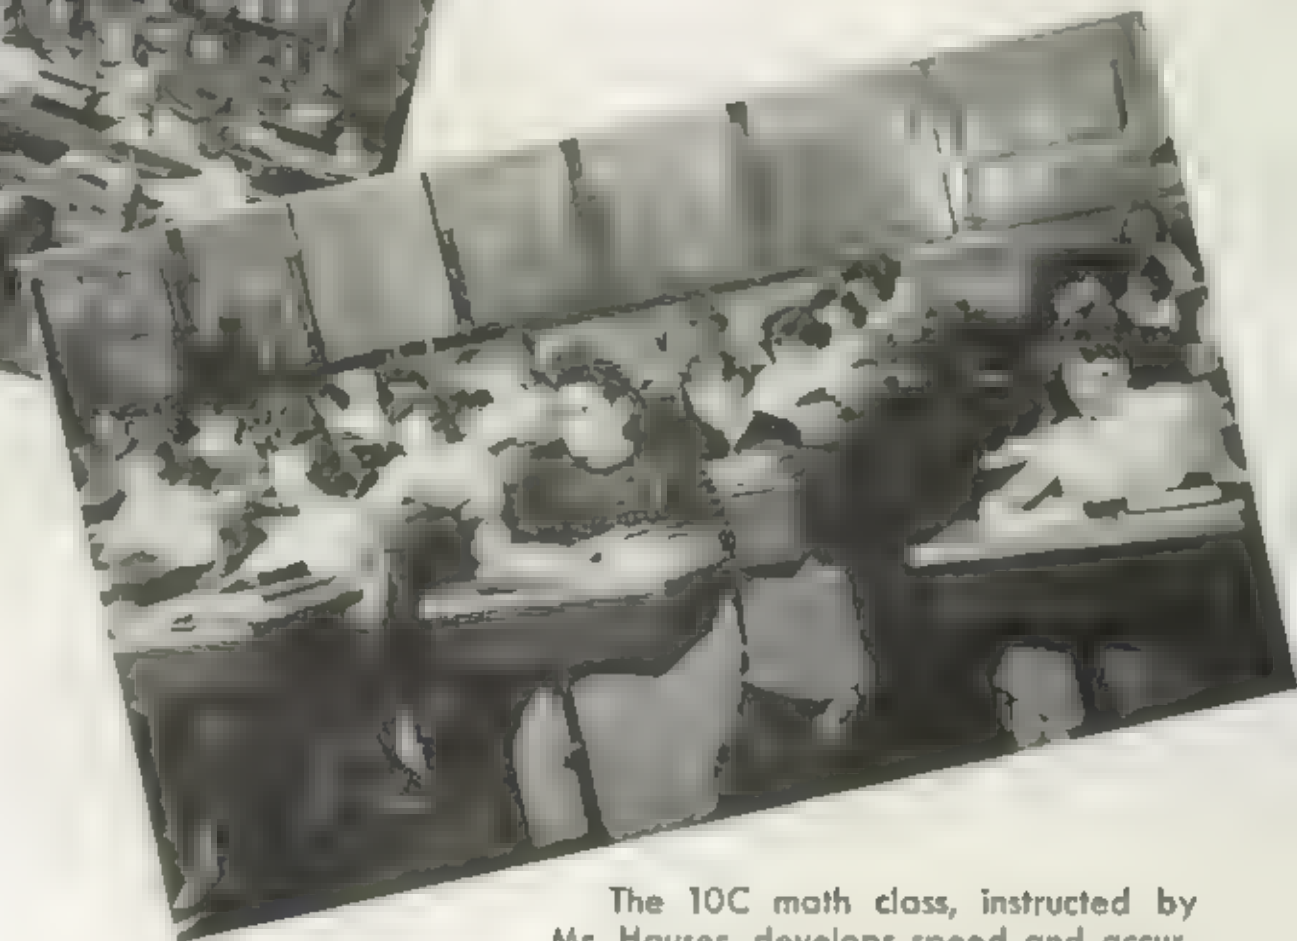

The 12S business law class, instructed by Mr. Frantz, studies the rights and obligations of all citizens in their civic and business affairs.

Under the guiding hand of Miss Strauss, this 12C typing class follows the routine of office procedures. Also included is mimeographing and stencil cutting.

Systematic procedures are introduced by Miss Hauser to these 11S bookkeeping students, by a thorough study of assets and liabilities, debits and credits

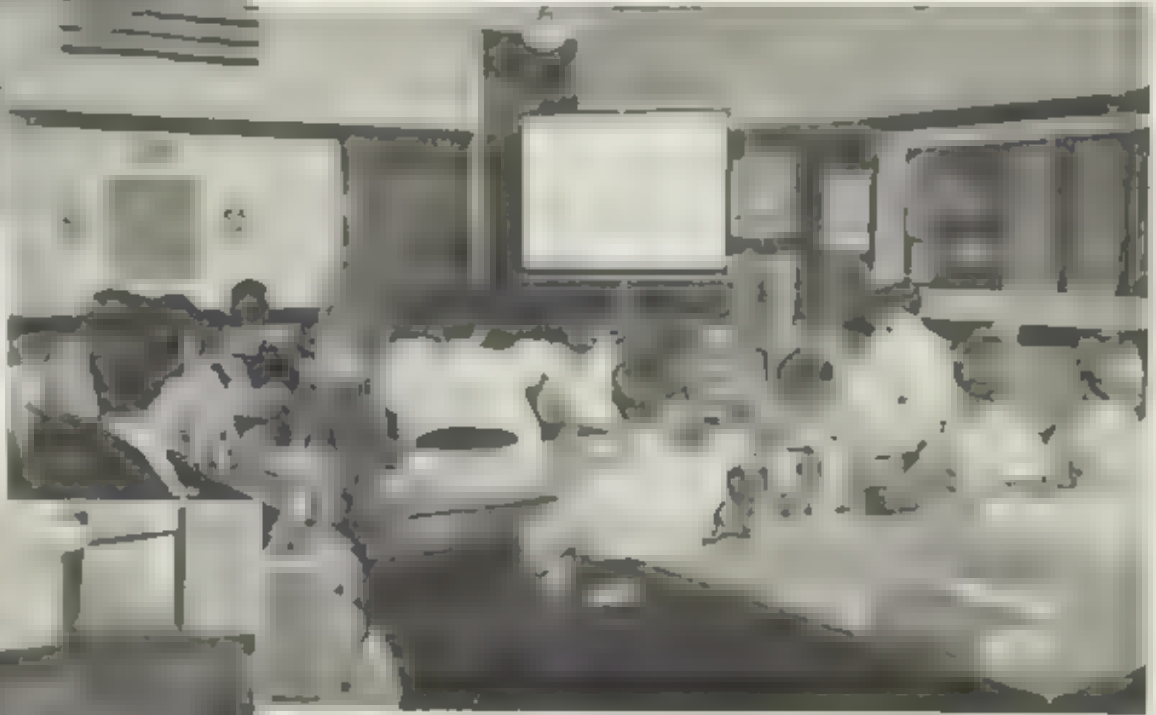

The 10C math class, instructed by Mr. Hauser, develops speed and accuracy in the basic fundamentals of business arithmetic.

GENERAL COURSE

The General Course is planned for those who desire a general secondary education. The subjects included in this course are English, mathematics, social studies, science, music, art, home economics, and industrial arts.

Through Mr. Deischer's problems of democracy classes the 12G students learn the importance of living and working in a democracy.

Practical everyday science is taught through visual education by Mr. Baer in his 11G junior science class.

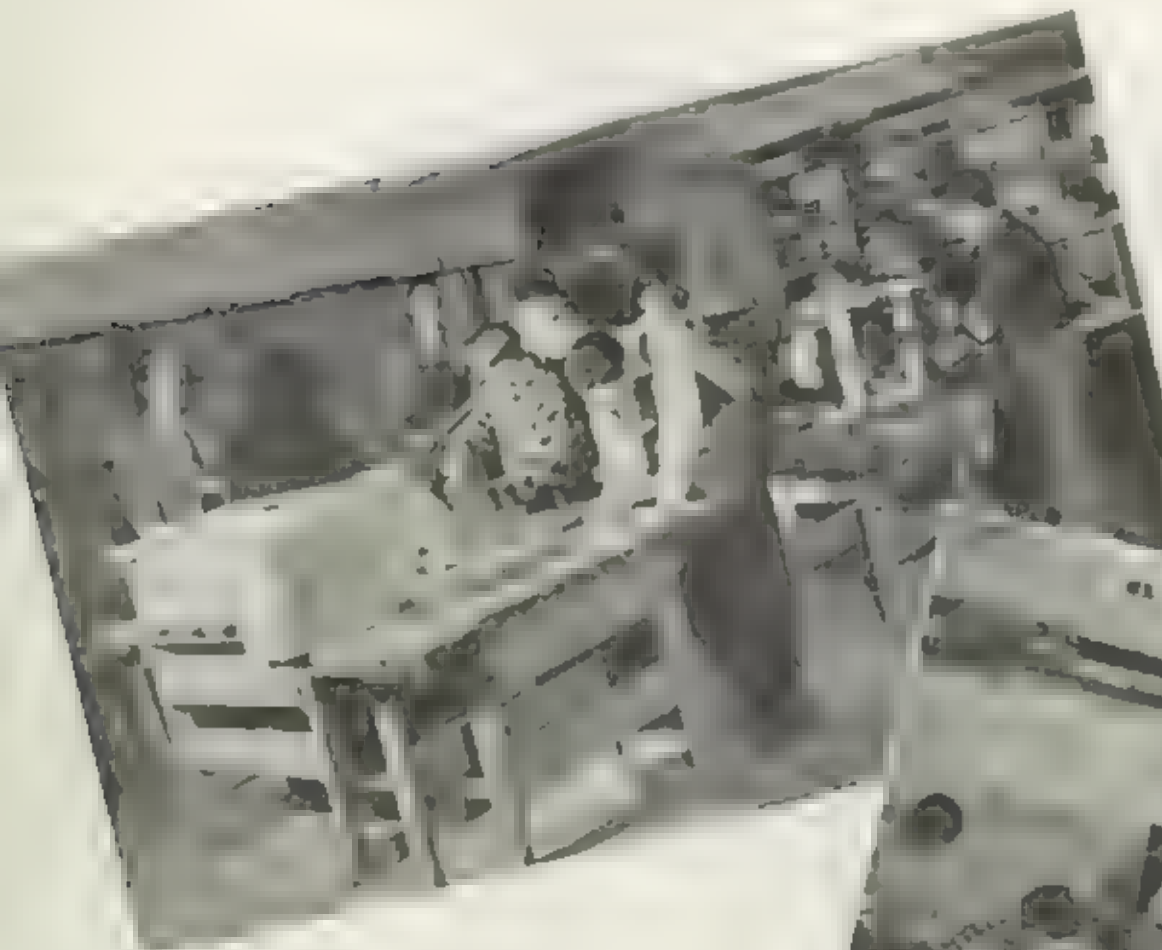

Practical problems in mathematics are discussed and solved in Mr. Burger's 10G general mathematics class.

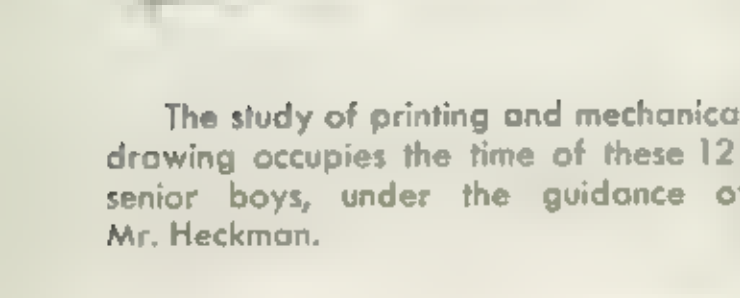

In Miss Miller's 9-2 art class the students bring forth their talent in painting and the various arts and crafts.

INDUSTRIAL COURSE

The Industrial Course is designed for those students who desire to enter the skilled trades field. The subjects included in this course are shop work, leather-craft, mechanical and architectural drawing, printing, and silk screening.

These 121 students, taught by Mr. Weber, learn all the fundamentals of making useful articles out of wood, leather, and metal.

The study of printing and mechanical drawing occupies the time of these 121 senior boys, under the guidance of Mr. Heckman.

The study of literature is highlighted in Mr. Benfield's 111 English class.

Instructed by Mr. Lobb, these 101 history students, discuss, and receive a clear picture of the world history of yesterday and today.

CLASS WILL

At this momentous occasion we, the Class of 1950, having been an outstanding one, wish to publish and declare this to be our last Will and Testament.

HIGH LIGHTS IN OUR SCHOOL LIFE

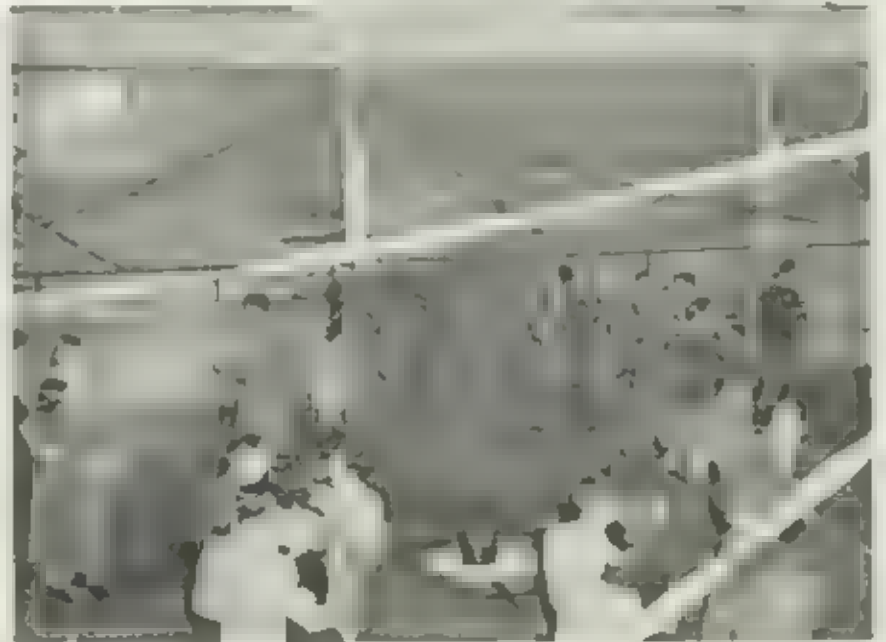

A scene from, 'Star on the Trail,' an assembly program presented by the 11A English Class.

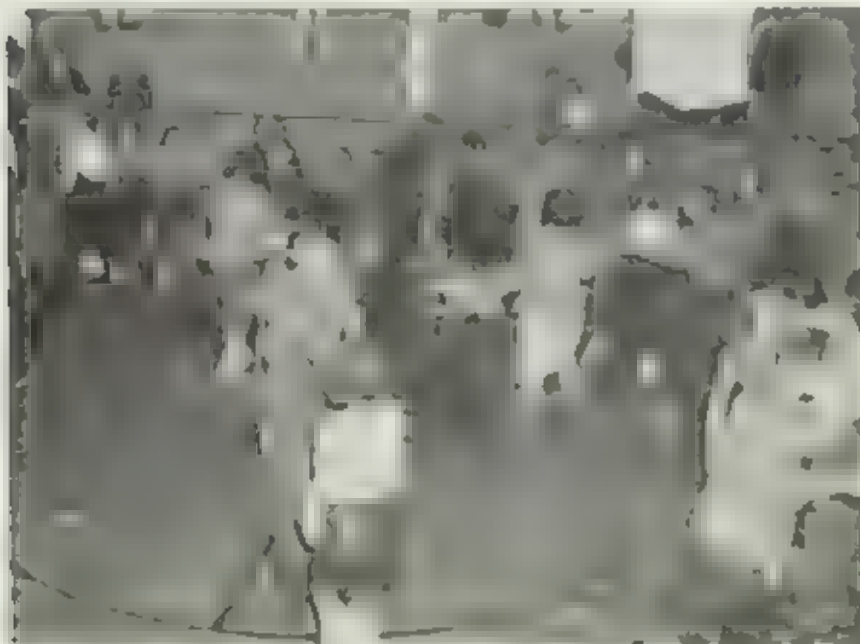

On November 8 and 9 the Senior Class struggled and concentrated on the Iowa Test of Educational Development.

The Sophomore Class presented 'The Winter Whirl' on December 3, and a wonderful time was had by all.

Tinsel, bright balls and sparkling lights describe 'The Yuletide Swing,' which was held on December 22, by the Senior Class.

The most important dance for the girls is the 'Sadie Hawkins Dance' which was held on November 12.

Crowds swarm to the refreshment stand for a snack at the end of the first quarter at Emmaus Whitehall game.

JUNIOR PROM

Dancing to the romantic strains of Bud Rader's Orchestra, April 22, 1949, at the Americus Hotel, was immensely enjoyed by everyone at the Junior Prom of the Class of 1950. The highlight of the evening was the crowning of the Prom Queen, Kathryn Kershner, who had as her attendants "Dot" Spieker, Joyce Stephen, "Dot" Gilbert and "Jill" Shelling.

Activities

Gathering knowledge is only part of the story of high school life. The other consists in learning how to live and how to get along with people. Activities, the varied outgrowths of youthful minds, take care of this function.

THE 1950 TATTLER

In this volume of THE TATTLER the staff and adviser have tried to emphasize those extra-curricular activities which contribute as much in their own way to the well-being and success of the students as the burning of the midnight oil.

Using the best of yearbook models, we tried to edit an annual as beautiful and complete as our finances would permit. Twenty-seven seniors, under the guidance of Mr. Paul Frantz, have worked unfalteringly during study periods, after school and voluntarily discontinued other extra-curricular activities in order to publish this mid-century edition of THE TATTLER.

If by word and by picture we have created the spirit of the year nineteen hundred and fifty so that the happy hours spent here at Emmaus High will be preserved in our memories, then the purpose of the staff will have been achieved.

JOURNALISTS STRIVE TO INFORM AND AMUSE

The members of the Journalism Club see all, hear all, and tell all in the HI JEFF, which they publish eight times a year. They learn how to interview people, to collect news in the school community, to prepare it for publication, to ferret out the natural humor in the classes and share it with the rest of the school.

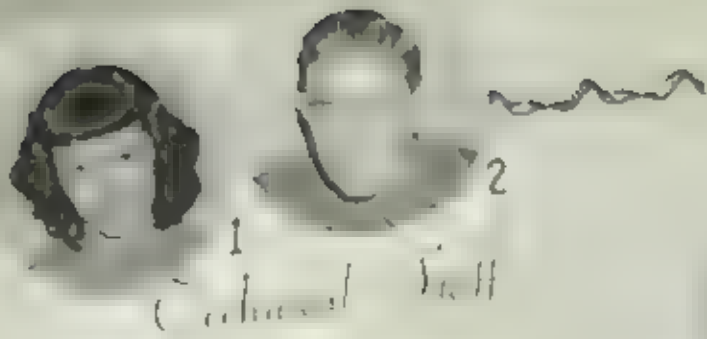

Six editions consist of four pages and two others are six or eight pages. In these is reflected school life, sports, social functions, and all the interesting events about school. Work on the newspaper undoubtedly affords the members of the club excellent opportunity to express themselves easily, briefly, and succinctly and to be at ease in the presence of important people of the community.

Unfortunately, the young people have no regular time to meet but must snatch odd minutes, whenever possible, and finish the work after school hours.

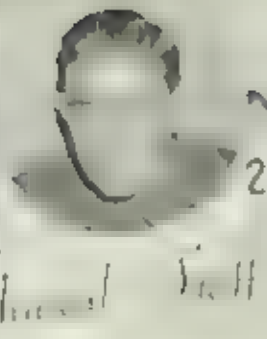

After two years of faithful and successful effort, the members are awarded a beautiful script school "E".

"FROSH" PRESENT GAY ENTERTAINMENT

A new and different type of minstrel was presented by the Freshman Class on February 11 and 12, under the direction of Mr. Errol K. Peters, who was aided by an able staff of upper classmen. The setting for the affair was a surrounding of pink and white clouds with a colorful sky as a backdrop, perfectly suited to the title of the show "Dreamers' Paradise."

The boys and girls displayed their musical ability in both instrumental and vocal solos, and group numbers of the latest tunes. No minstrel would have been complete without dancers, so several numbers were presented with a touch of dancing by Rebecca Keller, Bernice Deveraux, Barbara Cocklin, Marthajane Clauser and Diane Yaeck. The wit and humor was supplied by the capable ends Ardyth Heimbach, Joyce Trautt, Richard Eck, and Dean Moyer. To top the whole affair a snappy master of ceremonies Leslie Blank chided with the ends, and introduced the numbers.

MIXED VOICES HARMONIOUSLY BLENDED

A very entertaining comic operetta "The Sunbonnet Girl", which was under the direction of Mr. Errol K. Peters, was presented by the largest musical organization of the high school, the mixed chorus, on March 10 and 11 in the Emmaus High School Auditorium. The show presented the hardships of an orphan Susan Clifton, the "Sunbonnet Girl", very ably portrayed by Joan Moser, who's guardians would not allow her to enter a singing contest. Her hero Bob Coleman, played by Frances Dreas, and several friends helped her in her difficulty and all ended happily. The dialogue of the show was under the direction of Mr. Albert Benfield.

The chorus presented to the high school several delightful assembly programs throughout the year, and as usual participated in a very entertaining and delightful Spring Concert.

SONGSTRESSES EXPEL SWEET NOTES

Supplying us with interesting and outstanding performances in assembly was only one accomplishment of the Girls' Glee Club. Among other functions was their active part in the annual operetta presented by the chorus and contributing their talent to the Spring Concert. The girls received valuable experience and much hidden talent was discovered.

MALE VOICES REVEAL MUSICAL TALENT

Male voices in harmony are always popular and our Boys' Glee Club was no exception. Assembly programs which featured them were among the most popular of the year. The Spring Concert owed much of its success to their excellent performance. They also took part in the operetta sponsored by the Chorus.

SYMPHONY MUSIC FOR LISTENING

Supporting our more formal entertainment is the Concert Orchestra which develops the talent of young musicians. Besides providing interesting and varied numbers in assembly programs and the annual Spring Concert, the orchestra also furnishes the accompaniment for the operetta. This organization also provided the fine music at Baccalaureate and Commencement Services. The members received excellent training for future performances.

SWING AND SWAY THE EMMAUS WAY

The goal of the Dance Orchestra was to please the student body by playing a varied selection of popular songs in assembly programs throughout the year. Their principal undertaking was helping to make the Freshman Minstrel, "Dreamers' Paradise," a great success. They also furnished good music for several school dances during the year.

MONITORS GOVERN GENTLY BUT FIRMLY

The members of the Monitor Club are our policemen who direct traffic in and about school. The Board of Judges, a branch of the Monitor Club, acts as a court on violations perpetrated on the premises of the high school. Pupils who break the laws of the school are reported to the Board by the Monitors and a sentence is pronounced upon them.

STUDENT LEGISLATURE ISSUES RULINGS

The ambition of the Student Council is to guide and to encourage self discipline of the students. To accomplish this the Council and Monitor Club has set up the Board of Judges which acts as a court on school violations. The Council furnishes lyceum programs, feature movies, and noontime dances. Their highlight of the year was the "New Year's Eve Dance," the first of its kind at E. H. S.

MUSICAL TREND SHOWN BY VIRTUOSOS

Faithful and willing describes the members of our capable and neat appearing Band. Their pleasing and appropriate music could be heard at all football games and parades.

The Band which has shown remarkable improvement under the guidance and leadership of Mr. Rothenberg presented a brilliant Band Concert on April 12 which was the result of long and continuous practicing and instruction during activity period and after school.

HONOR GUARDS DISPLAY COLOURS

Well guarded and protected by six attractive and neat Colour Guards, our country and school flags were seen at many school activities. The Colour Guards marching ability has proven an asset to the Band, with which they met to aid in perfecting their precision marching.

COLOR AND POSTURE FILL THE EYE

Seven stunning Majorettes dressed neatly in white uniforms prance before the Band, wherever it parades. They twirl their batons as they strut with martial air adding color to the Band's appearance. These fine young ladies have spent many long and tiresome hours perfecting new steps and tricky baton twirling.

THEY COUNCIL GOOD READING

The duties of the girls in the Library Club are designed to give each girl self-confidence and dependability. The girls assist the librarian during study periods by shelving, stamping, mending books and other library tasks. They begin as freshmen and after having accumulated 100 hours or 1,000 points they are entitled to a "Library E" letter.

JUNIOR ACTORS DISPLAY TALENT

The Dramatics Club has shown its ability to get things done. It has gone to New York to see a Broadway production. It has enacted a one-act play in assembly, and has had interesting demonstrations on the selecting and correctly applying the various types of make-up.

TALENT IN ART BROUGHT FORTH

Much artistic ability was brought forth in the Arts and Crafts Club. A club of all girls, they found a great deal of pleasure in painting Pennsylvania Dutch designs on black pie tins and the making of stencils to design lap boards and cotton fabrics. Ceramics were also added to the program this year.

PHOTO FANS EXPAND KNOWLEDGE

The Photography Club's main objective was for its members to improve the use of their cameras and produce good pictures. Club periods were devoted to group discussions, the taking of pictures and the showing of illustrated films on photography. This club serves as a training ground for the yearbook photographers.

WILLING HANDS WORK FOR THE SICK

Here are the girls who are especially interested in health and nursing the sick. The girls are taught the care of sick people, the bathing and care of a baby and the fundamentals of first aid. These girls aid the hospitals greatly by sewing linens. The Home Nursing Club consists of twenty-five girls who will profit by the knowledge they received in this club in future years, in their homes or in the field of nursing.

GIRLS UNITE IN CHRISTIAN FELLOWSHIP

"As a Girl Reserve, I will try to be gracious in manner, impartial in judgment, ready for service, and loyal to friends". This excerpt from the code of the Girl Reserves tells in a few words the high standard that they strive to maintain in their daily life. This club has for its purpose, the upholding of fine Christian character and is affiliated with the Y. W. C. A.

NATURE STUDIED BY STUDENTS

The Nature Club was formed for the purpose of studying the habits and characteristics of reptiles, mammals, birds, and other things in nature. Many enjoyable hours were spent on field trips, wondering at the marvels of wild life. Some of the club periods were spent in studying specimens that were brought by members.

LUNCHES PREPARED BY ENERGETIC GIRLS

Amidst the clatter of dishes and savory smells of good food were the hard-working, smiling girls who prepared and served the tasty, wholesome school lunches. In addition to gaining valuable experience in serving meals, they also learned the use of the latest modern equipment in the kitchen.

WILDLIFE PROTECTED BY ENTHUSIASTS

These students of the Conservation and Wildlife Club have established as their purpose the conservation of wildlife and natural resources. A trip which was made to the Zoological Gardens and Museum of Natural History helped them to understand the relationship of living things to their environment. A reforestation program, followed by an outing, was held in spring by the group.

Part of the popularity of this club was due to the trip to Philadelphia for which they were excused from school. The group was divided into two clubs under the guidance of Mr. Baer and Mr. Burger.

CRAFTSMEN DEVELOP ARTISTIC TRAITS

Among the many arts in this club, leathercraft and woodworking are the most popular with both boys and girls. Handkerchief, jewelry boxes and lamps are made by the group in woodworking while the leather-crafters are designing wallets, key cases and coin purses.

LETTERWINNERS UNITE IN "E" CLUB

The Varsity "E" Club had a well filled year, selling gym suits and gloves besides sponsoring the Varsity-Faculty game and the dances after Friday night basketball games. Discussions at meetings centered about athletics, and at several meetings they were shown movies on past E. H. S. ball games. Letterwinners who joined this club were given sweaters.

MILITARY LIFE INTERESTS STUDENTS

Because of the tension in world affairs and the increasing acceptance of military life as a worthwhile profession a group of interested students organized this Club. Club activities covered a broad field with emphasis placed upon basic instruction in military courtesy and discipline, dismounted drill, and organization of the Armed Forces.

ANCIENT GAMES CREATE INTEREST

The games of chess and checkers have effectively taught sportsmanship, as well as providing an exciting pastime for the club members. Tournaments are sponsored from time to time, beginning at the start of the year. To play chess and checkers, a player must possess the qualities of deep concentration and must be able to think quickly.

AGILITY DISPLAYED BY GYMNASTS

The acquiring of coordination, poise, and balance was the objective of the Girls' Health and Physical Education Club. In accomplishing these, they practiced calisthenics, tumbling, tap-dancing, and working on the gym equipment. The group displayed their accomplishments in the annual Gym Exhibition which was held in spring.

CLEVER GIRLS WIELD BUSY NEEDLES

Due to the popular trend in knitting this year two clubs were again formed, one under the leadership of Miss Hauser for the purpose of teaching beginners to knit and one which was led by Mrs. Slack to increase the knowledge of experienced knitters.

Among the many articles produced by the more experienced girls were sweaters, scarves, mittens, ties and argyle socks—most of the articles were for the girls' own use. Other activities included embroidering, crocheting and, of course, talking over the "news" of the day.

Sports

Sports activities soared to glorious heights in 1949-50. Clad in the traditional Green and Gold, the Hornets made their presence known to all competition in the Lehigh Valley. The familiar cry of "Let's Go Hornets" pervaded sports locales, as Emmaus High teams racked up inspiring victories.

Cheerleaders in Action

CHEERLEADERS ADD ZIP TO GAMES

This year's cheerleading squad under the supervision of Miss Kenderdine, took part in all football and basketball activities. In football they led the students in pep meetings and our Booster Day bonfire. Besides all this they kept spirits high at games with their peppy cheering. Keeping right at work, these lassies in practice periods, thought up many tricky cheers and new motions to old cheers so as to be in tip top shape for the basketball season.

When the basketball season arrived, our cheerleaders were all ready, not only with new and better cheers but also new blouses of bright yellow with peter pan collars and little chenille green and gold megaphones which were sewed on the back of their jerkins.

The senior cheerleaders are "Connie" Herbst, Adele Kocher and Jean Skinner. Juniors are Janet Koze, Jeanette Reinhard and Ann Reinsmith.

FOOTBALL SQUAD COMPILES ANOTHER FINE RECORD

To the many football fans of Emmaus it looked like a dreary season of football. In the '48-'49 season they had seen a team bring in an excellent record of seven wins and three losses and placing third in the Lehigh Valley League. Little did they expect to see a team of equal calibre take to the gridiron and compile the same won-and-lost record, while taking second place in the league. To the team itself it was a challenge to show that this year's team would be the equal to any team turned out at Emmaus.

Under the tutelage of Coach "Luke" Lobb, they were molded into a smooth cohesive unit that scored 111 points and held their opponents to 69 points. The team was held together by a nucleus of thirteen returning lettermen.

The season was opened on September 17 on the home field and Muhlenberg Township contin-

ued its policy of ruining Emmaus' opening game by taking them 6-0. The Hornets traveled to Stroudsburg and chalked up a 7-0 win in a game which was marked by wonderful teamplay. For the first time in the past couple years we were confident of downing a Northampton team that has dominated us for so many years, but fate willed otherwise and we lost 25-13.

Away again, we returned to the right side of the ledger with a 13-6 victory at Slatington and followed this win the following Saturday with our first triumph at home, a 19-6 victory over a small Catasauqua team. The next Saturday, a tough one was won in the rain and mud at Lehigh.

A Booster Day victory, 14-0, was registered at the expense of Palmerton on our home grounds, and at Nazareth the team ran their victory skein to five straight games with a 19-7 triumph. This,

without any doubt, was their finest game of the season. We feel, had they played this well through all the games, it would have meant our first undefeated season.

A scrappy East Greenville team didn't give in until the last quarter as the homefolk saw some more fine football. We left the field with a hard-earned 13-0 victory.

Finally on Turkey Day, the magnificent 6 game winning streak was snapped by an aggressive Whitehall team. They turned in a 19-6 victory. It was all Whitehall that day, but who will ever forget "Mike" Brown scoring his only touchdown during his high school career on a beautiful end-around play.

Trophy Winners of the '49-'50 Season—D. Miller, winner of the Dr. F. R. Lichtenwalner Trophy for being the most improved player; R. Brown, winner of the Mary Deischer Senior Award Trophy as being the outstanding player during his high school career; D. Trump, winner of the football as the best player in the Booster Day Game.

LACK OF EXPERIENCE HANDICAPS CAGE SQUAD

Coach Leon Tuttle had just two returning varisty letter-winners to begin the '49-'50 basketball season. Again, they had the difficult task of matching a most enviable record, but didn't quite equal it by compiling a record of eight wins and thirteen losses. Lacking in scoring punch, they more than made up for it by displaying teamwork on the Emmaus hardwoods that hasn't been matched during the past few years.

They played nine pre-league games and won three, placing wins over Coopersburg, Boyertown, and Nazareth. They dropped games to Reading in which, at one time, they were close to pulling away from the Knights; a two point loss to Coopers-

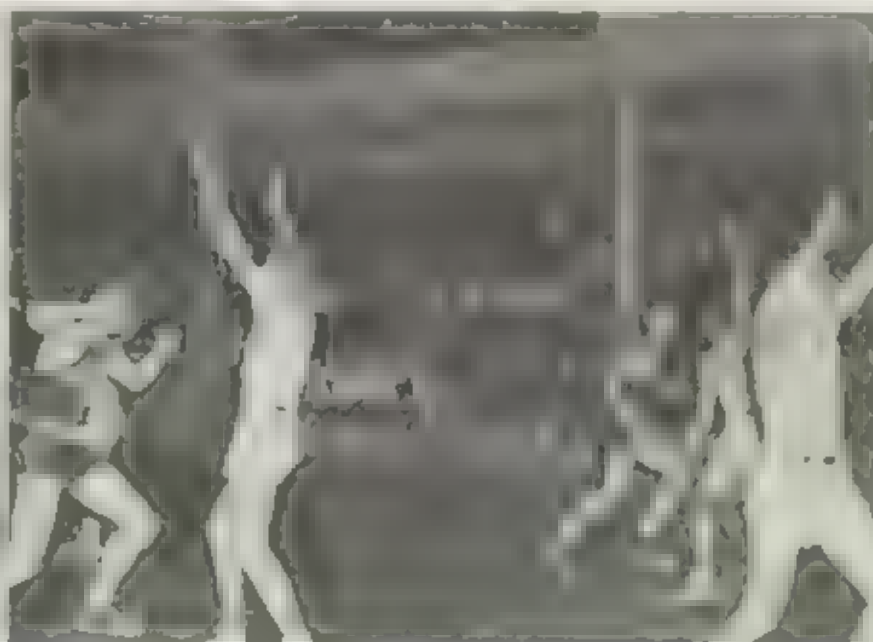

burg; and losses to Central Catholic and a fine Alumni team.

The League season opened at home with Catasauqua walking away with the game. Then, led by "Charley" Eyer, who scored sixty-two points in the next three games, they swept exciting victories over Lehigh, Northampton and Stroudsburg. The string of victories was broken in a slow moving game which saw Whitehall triumph. Then followed a victory at Slatington, which marked their last victory for many games to follow. The team closed first-half league competition by bowing to Palmerton, which forced Emmaus in a third place tie with Palmerton.

Tight action in the Northampton game.

Thwarting of a Slatington out-of-bounds play.

Opening the second-half of our schedule, Catasauqua, the league's eventual titlist, again defeated us. The string of losses was run to three at Lehighton. Returning home, Northampton squeaked out a close win. On the road again, Stroudsburg took revenge for their earlier defeat by us, and on the Rockne Hall floor, Whitehall ran the string to six straight losses.

The boys garnered their last victory of the season at the expense of Slatington. The regular season was closed at home with the Palmerton aggregation again defeating us.

For the second consecutive year, we placed a man on the Lehigh Valley League All-Star Team in the person of "Charley" Eyer. He also took second place league scoring honors and tossed in one hundred fourteen field goals and sixty-eight foul shots for two hundred ninety-six points for the season.

The boys donned the Varsity whites for the last time on February 24 when they engaged in a game with the Faculty, where nothing was fair and all had a fine time. Everyone left happily as the Faculty squeezed a 41-40 victory from the scorekeepers.

BABY HORNETS GROOM FOR FUTURE YEARS

Teams which are expected to produce material for varsities of succeeding years are the Junior Varsities. Composed usually of freshmen and sophomores, these teams develop coordination and the art of handling the ball, also providing good opposition for varsity at practice sessions.

The Junior basketball team did well in independent games winning four of the first six games played, however they were not as successful against

taller and more experienced league teams. The highlight of the season was a well earned victory over a powerful Reading J. V. team.

Engaging in twenty contests which were preliminary games to varsity games, the Baby Hornets came through with eight wins and twelve losses. Playing under the guidance of their new coach, Mr. Hauser, these boys should prove to be good prospects for future varsity teams.

GIRLS WIN UNOFFICIAL TITLE FOR FOURTH YEAR

For the fourth consecutive year the girls 1949-50 basketball team established a very impressive record. Playing under the guidance of their new coach, Miss Barbara Kenderdine, the fighting lasses were victorious in eleven games, and beaten in only two games, the Alumni and Central Catholic High School.

Starting practices early in the fall, the girls went through strenuous workouts to achieve a winning team. Through perfect coordination and

the will to win, the lassies came through scoring a total of 529 points to their opponents' total of 329 points. The girls won the unofficial League Championship for the fourth consecutive year by winning all their league games.

The team will suffer the loss of co-captains Betty Lou Keller and Anna Kunkel. Other seniors lost through graduation are Mary Lou Johnston, Dolores Ritter, Maralyn Shelling, Dorothy Spieker, and senior student manager Betty Jane Gilbert.

TRACK AND BASEBALL HIGHLIGHT SPRING SPORTS

The trend of rebuilding in sports continued in track and baseball, the same as in football and basketball.

Following last year's League Championships in both sports by teams that were composed mainly of seniors, it was difficult to know what to expect in track and baseball in the 1949-50 season, since the baseball team was blessed with only two returning lettermen and the track team with seven. Nevertheless, despite these handicaps, we felt certain that the teams would compile records of which our school could be proud.

The track and baseball teams each boasted

of one four-year man. "Mike" Brown completed his fourth year of participation in track events, as did Donald Trump in baseball.

The baseball schedule included games with Central Catholic, Catasauqua, Slatington, Coopersburg, Palmerton, Lehigh, Whitehall, Stroudsburg and Northampton, while the trackmen had meets with Quakertown, Bethlehem, Allentown, Whitehall, Northampton, Palmerton and Lehigh.

We regret that, due to the early deadline which the copy for this yearbook had to meet, we were unable to present you with a complete coverage of these two featured spring sports.

GYMNASTS THRILL AUDIENCES

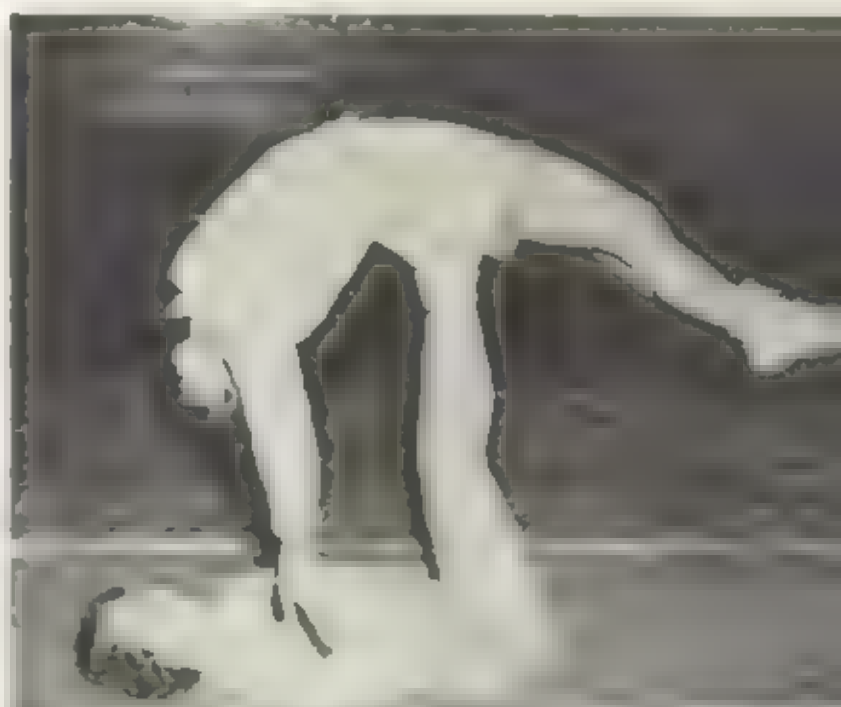

The annual Gym Exhibition was presented on March 30 and 31 in our local gymnasium by the Boys and Girls Gym Teams. These teams are made up of freshmen, sophomores, juniors and seniors.

The girls team, under the training of Miss Kenderdine, provided entertainment with their tumbling, dancing and roller skating. After many tiring hours of practice these girls had gained the skill and grace that it takes to make an excellent show.

The boys also added zip to the show by their tumbling acts and performances on the horse. There were also relays and, to thrill the crowd, drills on the spring board and parallel bars. These boys were coached by Mr. Tuttle.

Persons who had been on the team for two years and had been in at least two activities each year received a green and gold letter in recognition of their services.

ACKNOWLEDGMENT

The Tattler Staff wishes to extend their thanks to the business establishments of Emmaus and the surrounding communities who have played such an important role toward the financial support of this yearbook.

To Mr. Calvin Seisholtz of Calvin Studio; Mr. Charles Reinhardt of Sanders-Reinhardt Company; and Mr. Garrett Miers of Miers-Bachman Lithographing Company our deep appreciation for their practical advice and suggestions in the general layout of our entire yearbook.

To Miss Strauss and her senior typing classes for their help and patience in the typing of the yearbook material; to Mr. Schadt and his senior English classes for their assistance in composing the senior biographies, and to all others who have in anyway helped to make this yearbook a success our sincere thanks.
